

SNAPSHOT | Kids Served by Child Care Assistance Program

An Opportunity Agenda for a Better Minnesota

Governor Dayton's budget would invest \$84 million in the Child Care Assistance Program to expand access to quality childcare and remove red tape for families and childcare providers. These changes will improve care for more than 30,000 Minnesota children from working families and increase access to child care in Greater Minnesota. See how kids and families across Minnesota would benefit from the Governor's proposed investment below.
